Uniform

- 1) Add colour of the skirt on to the uniform list so there's no confusion.
- 2) Consider mentioning PE socks in the uniform list – to check with SSC.

Newsletter

- 1) Including student voice/student writing within the newsletter would be nice – something from a child's perspective.
- 2) Investigate whether the online version could have 'enlargeable' photos.
- 3) Remind about twitter 'directory'.
- 4) Something about performing arts would be nice where appropriate.
- 5) The background was considered too dark and distracting to some – perhaps fade it.
- 6) Put a face to a name would be nice – but this may be better placed on the website.
- 7) 'What's in the pipeline' section might be nice in terms of things such as site development etc.
- 8) List of clubs would be useful too/club news (separate from trips and visits).
