Lateral Flow Testing:

We would ask all families to complete LFT on the evening prior to attendance at Summer School. These can be ordered online for delivery in the post [Order coronavirus \(COVID-19\) rapid lateral flow tests - GOV.UK \(www.gov.uk\)](https://www.gov.uk/order-coronavirus-covid-19-rapid-lateral-flow-tests)

Arrival:

Children are to arrive via the main school gates from 9.15am.

Parents and carers are welcome to drop off in the school car parks but no earlier than 9.05am. Any children arriving on a bicycle must have a helmet and bring a lock that they know the combination for to allow safe storage in the bike sheds beside the Sports Centre.

Registration will be in the main school hall that children will access via the main door. Children will be asked on arrival if they feel well and if they have any COVID symptoms.

Dress Code:

Children are to wear clothes that are comfortable and practical for sports activities in school. They must wear trainers. We will use outside spaces so please be prepared for the British weather – sun lotion and raincoats! Clothes should be changed or washed each day on a hot setting, to support killing germs.

Information Sheet

Student Groupings:

Children are mainly in their form groups. If they are not this is due to requests for different days. Children in social times will have the opportunity to be with all those in attendance.

Snacks and Drinks:

Children should bring a refillable water bottle. They can bring a snack for 11.30 break and we will provide a snack (that the children will make for themselves) for 12.35.

Equipment:

We will provide resources for children across the two days. Students must have a bag with them for the day which will hold their water bottle, sun lotion, rain coat, jumper, mobile phone and snack.

Face masks and hand sanitiser:

We will not expect children to wear face masks throughout the Summer School (unless Government Guidance changes). Hand sanitiser is available in all classrooms. Children can bring in their own however, in Science rooms they must use our product.

Understanding my child:

Staff on the day will have information about your child from the forms you have completed. If your child has a medical need which means they carry an inhaler or auto-injector please ensure this is in their bag and full/in date.

Departure:

Children will depart via the main school gates at 1.00pm.

Parents and carers are welcome to collect in the school car parks but are asked to arrive no earlier than 12.45pm.

Emergencies:

On your final acceptance form you will be asked to give an emergency contact for the two days. We are aware that for some families this is different to the contacts given previously on school admission due to alternative arrangements in holiday time.

Any other questions?

Please add to the final acceptance form or send an email to the school with the Reference: Summer School office@fehs.set.education
