From here you can access the options booklet and videos

The screenshot shows a web browser window with the URL www.framinghamearlhighschool.co.uk/1293/gcse-options-1. The page header includes the school logo and name, a phone number (Enquiries / 01508 492547), and social media icons for Facebook, Twitter, and LinkedIn. A navigation bar contains several links: Home, Fram Order Form, MyConcern, Office 365 Login Po..., Padlet NoticeBoard, Provison Map, Show My Homework, and Student Common R... Below the navigation bar, there is a blue button labeled "Options-Booklet-2021" with a right-pointing arrow. A section titled "Where can I find more information?" contains a paragraph of text: "Current options information can be found here and a copy of the options form is available here. For more information on Careers Information, Advice and Guidance, please visit our Careers Area by visit:". Below this text are two more blue buttons with right-pointing arrows: "I Can Be A" and "University Technical Colleges". At the bottom of the page, there is a dark blue footer with three links: "Staff", "Students", and "Parents". The Windows taskbar is visible at the very bottom of the browser window.

Physical Education	23

The options booklet is a pdf and has a range of information to support understanding the process

Unifrog is our online platform to help students explore career and further education routes

Route 1 - I know which job I want to do!

Great! You can use four different Unifrog tools to work backwards from your career goal to find out if you need to take specific GCSEs for the career of your dreams!

Route 2 - I have no idea which job I want to do!

If you have a favourite school subject (or one you're really good at) use it to search guides in the **Subjects library**.

The Subjects library guides make suggestions on the jobs you could do if you studied that subject at a higher level.

Chemistry

Related career profiles

Unifrog can be accessed by
students and parents

How to access Unifrog

Students- each student has their own log-in details (I have resent an invite to those who have not yet logged in)

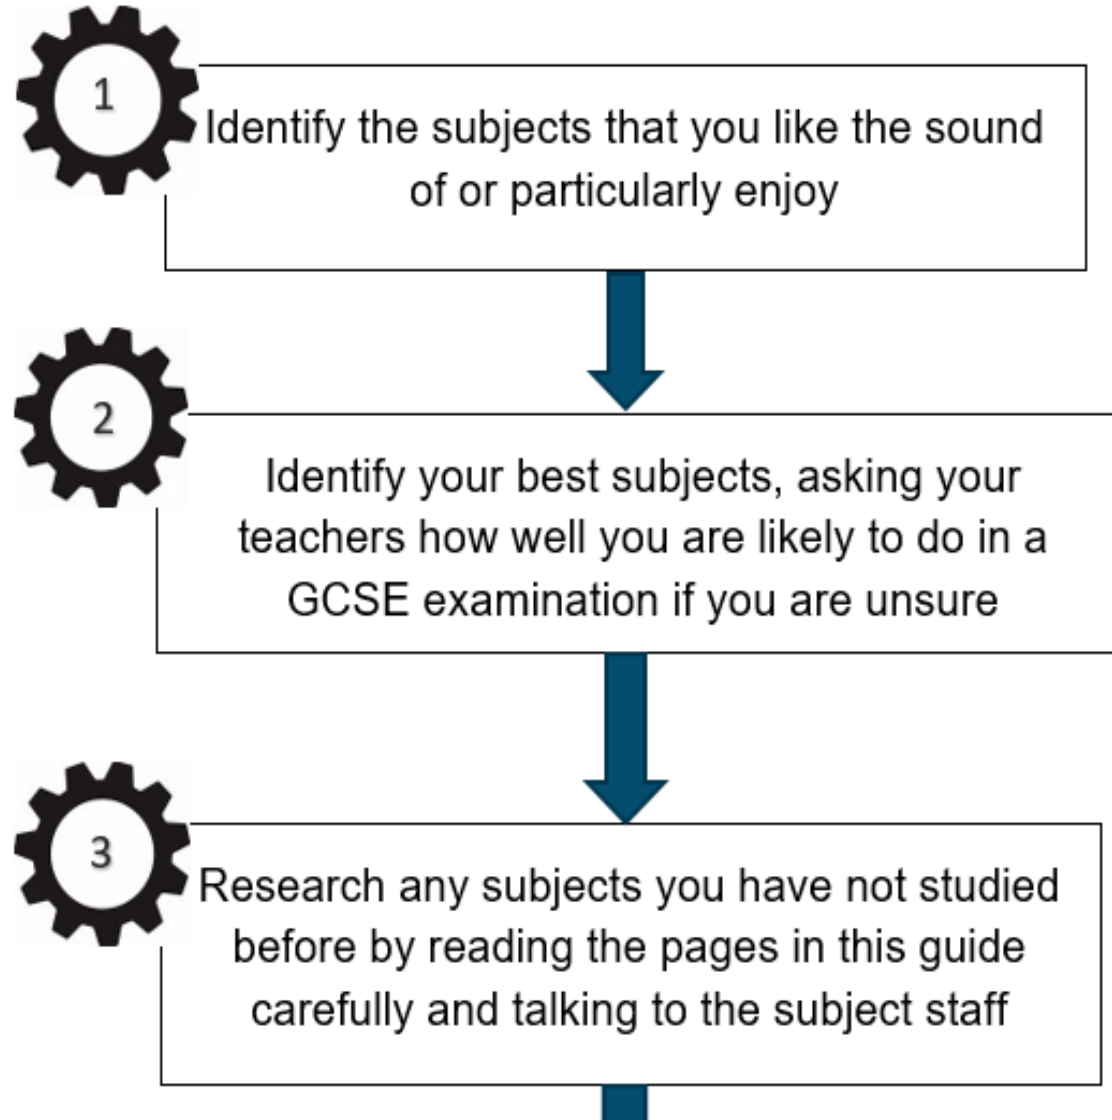

Parents and carers- you can log in as a guest and explore the students' platform.

Go to- <https://www.unifrog.org/code>

Log in with Code- **FREAp**arents

Choices Flowchart

When deciding your subjects for Y10 & Y11 please remember to use the choices flowchart

Good reasons for choosing subjects....

You enjoy learning about it and want to know more .

You understand it and feel you could do well at it.

It is important for future career and education choices.

Poor reasons for choosing subjects....

Your friends are doing it and you
want to be with them.

You want to be taught by a certain
teacher.

You think it will be an easier choice
and you won't have to work as hard.

- As you think about where your journey will take you next, think carefully. Speak to as many people as possible.
- This is your future.

How to complete the form

Question	Answer
What time does the form go live?	5:00 pm 2 nd February 2021
